Guidance to help identify unsuitable content and be an effective moderator is crucial. Moderation is NOT designed to:

- Censure people from expressing their opinions
- Correct grammatical or spelling errors in comments, except where such errors detract from the intended meaning of the comment.

As a general rule, comments should be published by moderators as close to the form and format in which they were input by the person making the comment with the bare minimum of changes, provided they are clear, appropriate and do not contain unsuitable content.

- Used for promoting personal business
- Are regarding the bank's peers and competitors, legal matters and undisclosed material information.

Offensive:

- Unacceptable content
- Text and images are likely to offend most people
